**“In order to succeed, we must first believe that we can.”**

*~ Nikos Kazantzakis*

It's been a great start to our year. Somewhat hard to believe that tomorrow brings the midterm date for first quarter. Midterm reports will be sent home with students next Friday, September 21<sup>st</sup>. Please continue to encourage your child to read each evening and please review his/her homework. Remember, just asking “Do you have any homework?” will often get the response “no”. Be sure to look at your child's planner in order to double check. In addition, you can check the teams' web pages and newsletters for assignments and expectations along with student grades on Skyward. Yes, we want students to be responsible, but we continue to teach and support them as they gain skills of independence! Thank you for taking the time to go over these things each night.

### **18-19 Student Council**

Each year, students have the opportunity to apply to be a part of our Student Council. Student Council is made up of a representative group of 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade students. If students are interested in being part of this leadership group, they fill out an application along with having another adult complete a reference on them about their skills, qualities and qualifications. Students then turn in their paperwork. They are reviewed by the Student Council Sponsors and homeroom teachers. There are 2 students selected from each homeroom, that serve on Student Council. This year, the CIS Student Council includes:

**4<sup>th</sup> Grade:** Ashley Halford, Olivia Rhoades, Ellen Wiker, Arabelle Cunningham, Eden Nelson, Abram Henrikson

**5<sup>th</sup> Grade:** Ruby Stadsholt, Isabel Ingram, Sara Roberts, Katy Sinnott, Ella Armitage, Owen Alderman

**6<sup>th</sup> Grade:** Ainsley Bermel, Lexi Mathy, Josh Harris, Alaina O'Neal, Allison Aper, Addison Bivens, Baillie O'Brien  
Grace Brock

**Congratulations! Looking forward to all that you will be leading and accomplishing this year!**

**Welcome our new School Resource Officer, Kyle Hopps:**

This year, we are fortunate to have a School Resource Officer in the district. Officer Hopps will be working at all of the buildings in our district, helping to keep us safe. Throughout the day, Officer Hopps has been interacting with students and walking our halls. It is great to see him in the building! Welcome to the district!

**CIS TECHNOLOGY Fundraiser – CLUB’S CHOICE**

We want to convey appreciation for any effort that you gave to this fundraiser. CIS sold about \$20,000 in products.
