

CANTRALL INTERMEDIATE SCHOOL

WARRIOR WEEKLY

THURSDAY, APRIL 28, 2016
Stacey Binegar, Principal

Good morning!

Can you believe that next week we are headed into the month of May? It is a busy time of year. We have several field trips coming up and many events, so be sure to watch the newsletter calendar for important information, dates and times.

This week, we wrapped up our PARCC testing and only have make-up testing to complete. Overall, the testing was very smooth. We anticipate results toward the beginning of next school year.

Sincere thanks to all of you who joined us for our science night. We had an outstanding turnout and hope that everyone enjoyed visiting the classrooms, having some ice cream and participating in the “Weird and Wacky Science Show”. It is always fun for students to be able to visit the school “after hours” and show parents and family what they’ve been learning. They are filled with pride when they get to take a special trip to the school, participate in new and different activities, and especially spend time with parents and family, showing how much they know. ☺

Special thanks and appreciation go out to the parent volunteers, Lindy Austin, Sally Howard, Tonya Henrikson, and Missy Iocca, for their time and “ice cream serving”!! We couldn’t have done it without you!

Have a great weekend! ☺
Mrs. Binegar

★ **Midterm reports will be sent home with students tomorrow, Friday, April 29th.**

CIS Red Ribbon Poster Winners:

1st Place: Brook McKee
