

ADVENTURES IN LEARNING
SUMMER ENRICHMENT PROGRAM
August 1-4, 2016 ~ 8:00-11:30 a.m.
CANTRALL INTERMEDIATE SCHOOL

We are pleased to announce that we will be holding the eleventh annual Adventures in Learning Summer Enrichment Program for students in the Athens School District. This is a great way to give your kids a fun and exciting educational experience and get them back in the mindset for school. ☺ Please read the following information and check the course offerings to see what appeals to you and your child. Then fill out and return the registration information to get signed up!

****If you have attended in the past, please note that the committee has decided to hold a 4-day program this year instead of the 5-day schedule we've offered in the past.**

ALL GRADE LEVELS

Students may select up to **three** classes.

Session times- 8:00-9:00; 9:15-10:15; 10:30-11:30

Please list at least a **first, second, third, and fourth** choice of classes and every attempt will be made to accommodate these requests.

Students will get a 15-minute break between sessions for recess and snack time. Snacks and drinks will be available for purchase—each item is 50 cents, so students should bring a small amount of money if interested.

CLASS COSTS

\$80 per child for the entire morning

If only taking one or two classes, \$30 per class

\$10 discount for each additional child in family, if attending all morning.

*We encourage you to sign up for classes you have not taken in previous years, so that other students get a chance to take them as well. In many cases, the course activities have not changed.

REGISTRATION FORMS ARE DUE **FRIDAY, MAY 6**. Late forms will be accepted; however, they will not be likely to get first choice classes. All returned forms are date stamped, so that classes are filled on a first-come, first-served basis.

Finalized class schedules will be sent home no later than **Friday, May 20**. Please do not worry about sending payment with your child before the last day of school. Registration fees will be collected on the first day of camp.
